PRACTITIONERS' ASSOCIATION

To,
The Members

Sub: EPILPA-Referencer-2020.

Date :- 01st November 2019.

Dear Sir,

It gives us immense pleasure in placing in your hand our valued publication for members of Association viz. 'EPILPA-Referencer' for the Twenty Fourth year in consecutive row.

Undeniably our 'Referencer' has become market leader in the arena of Referencer Publication and we continue to receive queries for its supply through out the year from various Labour Law Practitioners across India, HR Fraternities and even Non-HR Professionals too.

We are thankful to you and the other well-wishers who have proposed certain constructive suggestions, which we have taken care of and implemented wherever required. We acknowledge their contribution and count on their continued support to take EPILPA Referencer to new height.

The Cost of Printing has Increased during past few years and hence, it was imminent for us to revise the price of EPILPA Referencer even though we were reluctant to do so. Also, please note that as per our past experience the demand for the Referencer is received by us when the stock gets exhausted, thereby disappointing many of the members. They request us to print additional copies, but such reprinting is costly and time consuming.

You are therefore requested to place your orders on or before 20th Nov, 2019 and collect the same from the below mentioned address during working hours as specified below, to avoid any last minute rush and disappointment.

The revised rates alongwith the delivery charges are provided below;

1. For Epilpa Life Member - Rs. 150 /- per Referencer (**Maximum One per Life Member**)
2. For EPILPA Ordinary Members - Rs.275/- per Referencer.
3. For Non-Members - Rs.350/-per Referencer.
