**Sub: Booking for EPILPA-Referencer-2023.**

I am communicating with all of you after a long gap with lots of euphoria all around since your long awaited **EPILPA-Reference** is ready for delivery. Due care has been taken to fulfill the expectations of all of you to make the Referencer more and more informative and with readily available information which normally do not find in the Bare Acts and one has to do lot of searching exercise for the same. As you all known EPILPA always and constantly evaluate different topics and make it an essential part of the Referencer so that our valued members should not lag behind the level of information in this world of digitization where information is normally available on finger tips and on palm.

We are therefore, delighted in placing our 27<sup>th</sup> prestigious publication under the title **EPILPA-REFERENCER-2023** for successive **27<sup>th</sup> year** for disseminating knowledge and data to the members and their clients at large which covers latest on Labour Laws and to some extent important aspects Finance Laws, especially Income Tax Slabs etc.

As professionals, we have to be conversant with the trends which are going to open up newer vistas of professional offerings and hence, your Association always thrives to keep itself updated and also expect the same from its members via your EPILPA-REFERENCER every year.

We are extremely grateful of the EPILPA Members, who have provided us important suggestions and inputs which we have carefully incorporated in this EPILPA-REFERENCE-2023 after due verification of the suggestions and the facts received by us from various sources with reference to the documentary evidence to avoid any misrepresentation of the facts which is very crucial.

No doubt, the he rising cost due to Raw Material, GST and over all surge in inflation has resulted and unwillingly compelled us to revise the price of EPILPA Referencer and we assume that the cost tagged this time is very much justifiable. Also, please note that as per our past experience, the demand for the Referencer is received by us when the stock gets exhausted, thereby disappointing many of the members. They request us to print additional copies, but such reprinting is costly and time consuming. You are therefore requested to place your orders on or before 30th Nov, 2022 to avoid any last minute rush and collect the same from the below mentioned address, during working hours/days once the communication is sent to all.

1. For EPILPA Members - Rs. 350/- per referencer / copy
2. For Non-Members - Rs. 500/-per referencer /copy
3. Delivery Charges additional per copy which will be sent by courier / post, as the case may be.
